

PUBLIC NOTICE

The Financial Services Commission (FSC) informs all Pension Plan Administrators and members of the public that the Minister of Finance and Economic Affairs has approved a request to issue an Order to extend the validity of temporary certificates for occupational pension plans with incomplete registration packages. The Order is granted under Section 89 (2) of the Occupational Pension Benefits Act Cap 350B, and is for a period of two (2) additional years from February 1, 2014, thereby extending the temporary registration period to January 31, 2016.

FSC is an integrated regulatory body, established on April 1st, 2011 by virtue of the Financial Services Commission Act (2010). It is responsible for the supervision and regulation of non-bank financial institutions in Barbados.
